The Everything Kids': Money Book has a lot of cool information that I didn't even know myself. As others have said, there is a LOT of reading in this book. There is only 30 activities. But if your child doesn't mind a bit of reading, this book shouldn't be a worry. I would say that a 4th to 5th grader should be able to read this smoothly. This book also touches on foreign currency, foreign exchange rates, credit cards, and digital money. One Cent, Two Cents, Old Cent, New Cent , by Bonnie Worth, ages 4-8: One in a series of Cat in the Hat books meant to teach kids a variety of subjects. This book is exclusively designed for Kids.
