

Download Dozen Roses Beautiful Quilts Pillows

from Kay Mackenzie, allaboutapplique.net . This lovely rose-themed quilting book offers a beautiful blooming set of twelve projects including bed quilts, wall quilts, pillows, and shams, using appliqué, piecing, knitting, and even velveteen! From rosy renditions of classic flowers to hip "hybrids" of nature's showiest bloom, you can grow your own quilted rose garden with easy piecing, gorgeous applique, and unique embellishments. Choose from eight quilt projects, including a sampler quilt, a baby quilt, and a clever coverlet that's surprisingly easy to make.
