General Overviews. Overviews of the illegal drug trade introduce the reader to the variety of psychoactive substances that people consume and the complexity of the issues that arise from that consumption, and the efforts of other people to facilitate that consumption. Introduction. Most of what citizens know about politics comes from what they learn via the media. Scholars began studying the influence of media messages on citizens' opinions and behaviors as soon as radio became widely available in the 1920s and 1930s. Politics refers to a set of activities associated with the governance of a country, or an area. It involves making decisions that apply to members of a group. Transparency International is the global civil society organisation leading the fight against corruption., Partisan Politics In The Global Economy Cambridge Studies In Comparative.
